SUMMARY

Early-career researcher and has a strong background in public health and social science research, currently doing M.Sc. Statistics at Shahjalal University of Science and Technology. Well-versed on literature reviews, statistical analysis, academic writing and the dissemination of research in peer-reviewed publications and conference presentation. Interested in studies or policies related to evidence and evidence-informed research, civil society, and collaborative international research.

EDUCATION

Master of Science (M.Sc.) in Statistics May 2025 - Expected Dec 2026

Shahjalal University of Science and Technology, Sylhet-3114

- **Current CGPA: 3.77**
- Relevant Coursework: Advanced Statistical Inference, Time Series Analysis, Advanced Multivariate Analysis, Advanced Demography

Bachelor of Science (B.Sc.) in Statistics Jan 2020 - May 2025

Shahjalal University of Science and Technology, Sylhet-3114

- **CGPA: 3.84 with Distinction**
- Undergraduate Project: Determinants of early childhood mortality in Bangladesh
- Relevant Coursework: Regression Analysis, Design and Analysis of Experiments, Sampling Techniques, Economics, Biostatistics and Epidemiology, Stochastic Processes, Research Methodology

RESEARCH EXPERIENCE

Research Assistant Oct 2025 - Present

Shahjalal University of Science and Technology, Sylhet-3114

- Conducted literature reviews and synthesized findings for public health and social science research projects.
- Assisted in preparing manuscripts, reports, and conference materials for publication and dissemination.
- Performed statistical analysis and interpretation using R, SPSS, and STATA.
- Supported data visualization and presentation of research findings for academic and public audiences.

PUBLICATIONS AND CONFERENCE PRESENTATIONS

Peer-Reviewed Journal Articles

Alam, A., **Prodhan, M.E.**, Akhter, T. et al. SWPER-Measured women's empowerment and mental health in Bangladesh: a cross-sectional study from 2022 demographic and health survey. *BMC Women's Health* 26, 119 (2026). <https://doi.org/10.1186/s12905-026-04300-w>

Alam, A., **Prodhan, M.E.**, Islam, F. et al. The effects of household water, sanitation, and hygiene on early childhood education enrollment: evidence from the 2022 Bangladesh demographic and health survey. *BMC Public Health* 25, 2732 (2025). <https://doi.org/10.1186/s12889-025-23968-7>

Conference Proceedings

Alam, A., **Prodhan, M.E.**, Hasan, M.N., Lubna, T.S., Islam, M.A., Afroz, M. Deep learning-based multivariate time series forecasting of acute respiratory infections among Rohingya refugees in Cox's Bazar, Bangladesh. In: 2025 28th International Conference on Computer and Information Technology (ICCIT); 2025; Cox's Bazar, Bangladesh. 2025. p. 3847-52. <https://doi.org/10.1109/ICCIT68739.2025.11491162>

Prodhan, M.E., Alam, A., Hasan, M.N. et al. A comparative study of machine learning algorithms in classifying and predicting exclusive breastfeeding infants in Bangladesh. In: 2024 27th International Conference on Computer and Information Technology (ICCIT); 2024 Dec 19-21; Cox's Bazar, Bangladesh. 2024. p. 2789-93. <https://doi.org/10.1109/ICCIT64611.2024.11022563>

Hasan, M.N., **Prodhan, M.E.**, Alam, A. et al. A comparative study of machine learning algorithms in predicting acute respiratory infection of under-five children in Bangladesh using imbalanced data. In: *2024 IEEE International Conference on Biomedical Engineering, Computer and Information Technology for Health (BECITHCON)*; 2024; Dhaka, Bangladesh. 2024. p. 274-8. <https://doi.org/10.1109/BECITHCON64160.2024.10962602>

Poster Presentations

Prodhan, M.E., Altaf, M.A.I., Pranta, J.P. Raising healthy children: The role of maternal education and mass media and ICT access in preventing child malnutrition. Poster presented at: *International Seminar and StatFest 2023*; March 2023; Department of Statistics, SUST, Sylhet-3114

Rakib, I.K., **Prodhan, M.E.**, Rahman, F., Tabassum, A., Hridoy, J.H., Kabir, A. Determinants and prevalence of acute respiratory infections, diarrheal diseases, and febrile illnesses among under-five children in Bangladesh: Analysis of the 2022 BDHS. Poster presented at: *International Conference on Applied Statistics and Data Science 2025*; December 28–29, 2025; Dhaka, Bangladesh.

HONORS AND RECOGNITIONS

- **Master's Thesis Grants**
Awarded by Research Centre, Shahjalal University of Science and Technology.
- **University Scholarship (2019, 2020)**
Awarded by Shahjalal University of Science and Technology for academic excellence.
- **2nd Runners-up, 13th National Undergraduate Mathematics Olympiad 2022 (Sylhet Region)**
Bangladesh Mathematical Society – AF Mujibur Rahman Foundation, November 2022
- **Finalist, Robi Datathon 3.0**
Robi Axiata Limited, May 2024

CLUB ACTIVITIES

- **Lead Instructor, SUST Data Science Club**
Conducted training sessions on data analysis and basic statistical tools

CERTIFICATIONS

- **Fundamentals of Research Methodology | [View](#)**
SUST Research Centre, May 2025
- **Data Analysis with R Programming | [View](#)**
Google, April 2024
- **Machine Learning Specialization | [View](#)**
DeepLearning.AI, Stanford University, September 2024

TECHNICAL SKILLS

- **Programming & Data Analysis:** R, Python
- **Statistical Software:** SPSS, STATA, SAS, ArcGIS
- **Productivity & Typesetting:** Microsoft Office, LaTeX
